Exhibitor Insurance

Mandatory Liability Insurance:

Exhibitors must provide Bronner Bros. with a Certificate of Insurance before booth assignment is continued.

What is this:

It is a standard requirement for all exhibitors to provide general liability coverage from an insurance company in good standing

Does It apply to me?:

Yes! It is mandatory for every exhibitor. As a exhibitor, you are required to carry workmen's compensation and commercial general liability to include contractors, personal injury and blanket contractual liability insurance. You MUST provide this proof of coverage to move into the Georgia World Congress Center and will not be allowed to set-up without it.

Why?:

This will protect your company from liability if a situation arises.

How do I get It?:

A Certificate of Insurance may be obtained through your primary Insurance Agency. Call your insurance provider with the requirements below and they will guide you through the process.

If you don't already have coverage, Bronner Brothers has made arrangements so that all of our exhibitors can instantly acquire this coverage at significant savings from Rainprotection Insurance. Your cost will be just \$94. Please see page 2 to be redirected to the Rainprotection Insurance Form."

This program is valuable for:

- *Exhibitors who do not have any insurance.
- *International Exhibitors whose liability insurance will not cover them at a U.S Show.
- *Companies who do not have the time to deal with all of the certificate arrangements, and need coverage now.
- *Exhibitors who find it easier or advantageous to use this program, rather than their corporate insurance; Similar to when you rent a car and do not want to use your own auto insurance.
- *Should there be a claim, it will not tarnish your policy and rates. And, unlike most corporate policies, there is no deductible.
